

Love Links

Love Links is a Modern 180 pattern designed by Running with Scissors Quilters. The "links" are created by assembling traditional flying geese into chevron blocks using two geese in reverse colors. Once the blocks are interlocked, links pop out to create this stunning quilt! This quick and easy quilt can be made in eight different sizes using only the Wing Clipper I.

Please note: the fabric requirements and cutting instructions have been changed from the original pattern to reflect the use of the "No Nudge" technique.
